

SAFETY POLICY

OUR EHS COMMITMENTS

- ZERO Accidents & Environmental Damage
- CARE for people's safety and health

OUR EHS STRATEGY: FROM REACTIVE TO PROACTIVE

- **Organization & People**

Ensuring EHS training and competencies across all organizational levels.
Competent and experienced team of EHS professionals.

- **EHS Performance & Visible EHS Active Leadership**

Achievement of measureable objectives to drive continual EHS improvement.
Managers and Supervisors taking EHS responsibility and leading by example.

COMMITMENTS FOR SUSTAINABLE SOLUTIONS

Energy efficiency and use of environment friendly, recyclables or natural materials
